

LifeWave Patches Quick Reference

Aculife is a veterinary pain patch similar to IceWave, for horses and other animals. Comes with acupressure beads to assist in stimulating pressure points through thick skin. See video called Horses Don't Lie on LifeWave InTouch App.

Y-Age Aeon is an anti-inflammatory, anti-stress, "happy patch." Raises anti-neoplastons. Brain balancing, calming, reduces cortisol, reduces c reactive proteins, elevates DHEA. Based on Queen Bee's longevity due to Royal Jelly. Aeon is like eating 30 cups of Royal Jelly per day.

Alavida is a skin and body regenerating system via elevation of epithalione peptide. Increases organ function. Reduces oxidative stress, increases antioxidants. Stimulates frontal lobes, pineal gland activation. Increases mental clarity and focus. Good for sleep. Second most powerful patch after X39.

Y-Age Carnosine is for tissue repair and healing, longevity. Beneficial for heart and sugar issues. Great for burns, lumps, bumps, clots, bruises, lacerations. Also good for neuro and cognition issues.

Energy Enhancer increases energy, endurance, and reduces fatigue and muscle soreness. Use on acupuncture points bilaterally for nausea, reflux, improves digestion, strengthens and tones organs, drain dampness and phlegm. Increases Qi Bioenergy in organs. Similar to RED laser.

Y-Age Gluthione is the master antioxidant, detoxifier, immune booster. Increases GSH by 300% in 24 hours. Anti-Viral and great for infections.

IceWave is for pain. It sedates excess energy, inflammation, and is calming. Good for headaches, migraines, all sorts of pain, tension, pulled nerves, muscles, osteoarthritis, fibromyalgia, stiffness, etc. Similar to BLUE laser.

Nirvana is the patch that increases a sense of euphoria, joy, happiness. Balances emotions and lifts depression. Taken with Nirvana supplements that are made from seaweed extract. Elevates and sustains production of beta endorphins.

SP6 is for appetite control and suppresses cravings. Also balances hormones and increases organ function. Balances the hypothalamus and therefore regulates all the autonomic nervous system. Good for improving digestive function.

Silent Night is to regulate sleep through melatonin production. Also important for oxidative stress as melatonin is an antioxidant and cancer protective. Great for calming Autism Spectrum Disorder children.

X-39 patch elevates copper peptide GHK-Cu, proven to activate stem cell production. It resets genes to a younger state, helps repair collagen in all tissues, encourages apoptosis of cancer cells and discourages metastatic cancer cells. People also report improved sleep, reduction in pain and inflammation, and increase in Glutathione production.

X-49 patch elevates copper peptide AHK-Cu, which activates stem cell production with targeted focus on muscle density, strength, stamina, recovery, and protection from EMF/5G exposure. Some clinical evidence of improved cardiovascular & cognitive function, bone density and possible hair growth for some (studies not yet complete)
